

# Beverly Arts Center

## COVID POLICY

The Beverly Arts Center continues to follow COVID 19 guidelines set forth by the City of Chicago. Effective **Monday, February 28** we will no longer require proof of vaccination or a negative test result. As mask wearing is optional, separate seating is available upon request for those who prefer a fully-masked environment.

Effective **Monday, March 14** the Beverly Arts Center's School of Fine Arts will follow Chicago Public Schools COVID 19 guidelines where mask wearing is optional in our classrooms.

However, in the interest of the comfort of all Beverly Arts Center patrons, we continue to recommend that masks are worn throughout our facility.

**Thank you** for patience and understanding as we've navigated the pandemic. We look forward to welcoming you back.

**The Beverly Arts Center staff**
