

**BAC SOUTHSIDE SUMMER STAGE
2022 - *The Sound of Music*
CAST LIST**

A note from the Artistic Director:

Dear friends,

For over 50 years, the Beverly Arts Center has been a cornerstone of the Southside, providing great arts and educational opportunities and our new **BAC Southside Summer Stage** was created as a means of showcasing the tremendous homegrown talent that we have right here in our community. Our inaugural production of *The Sound of Music* saw nearly 100 people audition - a number beyond our wildest expectations. We were humbled by the talent and heart that we experienced over the three days of auditions and the quality of your work made choosing a cast a difficult task indeed. On behalf of the entire creative team, I want to thank each and every person who attended our auditions. We're grateful for your enthusiasm, and see this as a sign of great things to come. Below is the cast list: a hearty congratulations to all of the actors who have been cast in this production. For those who've done theatre before, you know that it takes the work of many to make the magic happen: if you were not cast, there are many volunteer opportunities for *The Sound of Music*. If you're interested, please send an email at kevin@beverlyartcenter.org Finally, I encourage you to check out the BAC website (www.thebeverlyartscenter.com) often as there are ongoing theatre auditions and performance opportunities throughout the year for both community actors and professionals.

We can't wait to see you at our future auditions (the announcement of our 2023 show will be coming soon!), and look forward to bringing this beautiful story of faith, hope and family to our community in August.

With appreciation,

A handwritten signature in blue ink, appearing to read "Kevin", with a long horizontal flourish extending to the right.

Kevin Pease (he/him/his)
Artistic Director, Beverly Arts Center

**BAC SOUTHSIDE SUMMER STAGE
